We had been looking for suitable bench type seating for over a year for our busy Restaurant when we found Wright's Fine Furniture. They were very helpful at the outset, the no nonsense approach and on Site Survey gave us Confidence that they new exactly what we wanted and how to achieve it. The Restaurant gets very busy and we needed Furniture that would withstand rigorous use and was easy to clean. The results exceeded our expectations.

We've had our 'Berties American Diner' Suites for around 3 years, they have been extremely hard wearing in our difficult climate. There were some initial problems with the tables which we over came our selves, but apart from that i can highly recommended them.....

The Pit Stop Truck Stop Café at Bromsgrove refurbished December 2009, we tendered on Service, Quality, Availability & Price. Wrights Fine Furniture ticked all of our requirements. During 2010 we had a small problem with a few chairs, we contacted Wright's with no quibbles they immediately replaced our chairs. If we are to expand further, there is no question who would be our preferred supplier, I am confident if you use Wrights, you will not be disappointed.

Came across Wright's in a seemingly despairing hunt for bentwood chairs. They were brilliant. Not only were they able to provide me with exactly what I wanted, but were incredibly accommodating and kind, delivering to the door as promised. Would recommend them unconditionally

Sorry for my bad english, I don't speak neither write it fluently. The experience we had with Wrights Fine Furniture LTD was excellent. The contacts I had with the staff, Margo Wright, Natalie Riedy, Colin Wright, were very nice, by phone or by e-mail. Excellent time of reactivity. Excellent advise. Excellent help. The furnitures were of good manufacture. Delivery in time. Exactly what we need for our production Opera Donna Del Lago. Thanks a lot again.

Club Quarters has used Wrights Fine Furniture Limited on a number of projects in the past year and on each one we have had nothing but excellent personal service and the quality of their work being outstanding. At no stage was any request of ours ever been denied, they were extremely patient and always went the extra mile to ensure we were happy. Delivery and after sales service has again been prompt. Recommend without hesitation

Both the service and the quality of the booth seating were excellent - we are very happy with the results and so are our customers. The price was very competitive as well.
